A movement for truth, repentance, and Christian revival. This is a last generational movement before the return of our LORD and Savior Jesus Christ.

last updated April 8th, 2019

I just don't have the right words anymore and I am sorry. I need Jesus as my Savior and I need to get right with him more than anything. More also I need to learn to be a real friend. I don't like what has happened with my mental health situation. I don't remember things and I am terrible with names. Never-the-less all my failures are my fault. I have ruined my own life. I have done wrongly, I am sorry to start a site out this way but maybe you can pray for me. I don't know who you are and I don't know how to reach you but God is a big God. God answers prayers. Sometimes there is a long wait but God is there for you. I have been waiting for 21 years for my prayers to be answered, but I wait expectantly knowing this prayer could be answered this month. Amen

I created all these sites because I thought I could make a difference. I get almost no visits and those who do click and click away. I realized that when I thought I loved I am not a good person. I fight poor mental health trying to do right but all it is, is wrong. I am not encouraging because I preach that salvation is **not** once saved always saved. I teach messages that no one wants to hear that we need to repent and get right with God. I realize all I have done is hurt people. I don't want to do the wrong things anymore. I am not a nice person its just all gone wrong. While I wait on God's end, I wonder where I will spend my eternity. I want to go to

heaven but that choice is not mine but rather Jesus choice if He can forgive me of my great sins and if he will still be my LORD. You can be saved, but to go on sinning as I have done is wrong. God if you are up there I beg you to take me back. Amen

I am sorry but I guess this is kind of a serious site. Don't think though that because of all that I say you can't be saved because Jesus really is a loving God. I just haven't treated God right or have been nice to my neighbor. I can't seem to do anything right, but that is my own walk in life. Many of my problems are caused by my own poor mental health where I have a hard time getting right with God and treating others with kindness and respect. Never-the-less it is me who has failed.

Whatever we get is what we absolutely deserve. We have openly defied you oh LORD Jesus. We have hated you. I have hated you too. I deserve whatever I get even death. We have passed so many laws that defy you oh LORD and we have done our all to hate you and treat you with total disrespect. We never had a revival, because we never repented. We do our own thing because we feel it is good and right within our own eyes. All I ask is that the internet work and those that lived in disobedience hear these words. Whatever is at your hand tonight, tomorrow, or in our very near future we deserve. I don't even feel that we should fall into your hands alone for destruction because we do not deserve such simple mercy. If Russia attacks along with China, or whoever else attacks; if we have massive earthquakes, volcanoes, horrible weather conditions know it was our own doing that hurt you oh LORD. Our destruction is way past due and we deserve

whatever is at your hand. I call upon you oh LORD for forgiveness of my sins even cursing you as I did today and preaching that the Great Tribulation does not need to happen because it does need to happen. We are a horrible wicked generation and our sins have reached the heavens. We deserve absolutely no mercy and whatever happens is what our sins deserve. I am sorry and I repent to the best of my ability. I did not realize how much we have hurt you but we have done so wickedly and have done far worse than any other generation and it is our fault. What we have done is so evil. All of us have sinned far worse sins than we will ever know including myself. LORD I have wasted money time and years of my life living in sin for my own sick pleasure. When you gave me the money for this ministry, I blamed my very poor mental health for letting all the money fall into the hands of an evil pastor. That money could have put my ministries I gave for your use into the search engines and many people could have come to Christ but as you know I failed you. I am so sorry and I repent to you and you alone oh LORD Jesus Christ Amen.

Signed,

Dale Lee Gordon

You will probably click away at this point. I deal with a lot of anger and rage from the past. I work very hard on words that I don't think anyone reads. I feel like I am preparing something that may matter some day but still I don't know. I guess I am getting tired of all the work and no gain. It costs me a lot of money to keep these websites and everyone these days seems to want the easy do nothing way for Jesus and it

doesn't work that way. I too have read the Bible and we are missing the mark even myself. I can't fill you with "holy laughter" or not rightly divide only the good parts of the Bible. Instead I preach the entire thing and sadly I did not read the Apocrypha so in reality I am still missing a lot. What I have done I am not proud of. My works are nothing and I am wondering to a point where will I spend eternity. I have done so much wrong: I am so sorry to the Christian I offended and to you oh LORD. I was having a real bad day and I took your holy name in vain at the gas station. If the person ever reads this that I offended I am so sorry and I am sorry to our LORD who I hurt with my wicked heart. Also I cursed you yesterday by giving you the middle finger and I am sorry oh LORD. I am a horrible man and I am sorry and I ask for your forgiveness oh LORD even though I deserve hell. I don't hate you LORD though it may seem like it. I am worn out and I need your salvation and your saving grace. I am not a regular Christian but a struggling Christian and I am sorry I set a poor example of someone that is supposed to be a man of God. I ask you to spare me of hell and death and I repent of my wicked sins.

Some of us are really hurting and I don't have the answers you are looking for on this site. This site had other plans at first but once again I am doing things all alone. I haven't edited this site in a long time and I am getting more and more run down. I want to say all the good things about God. It would be nice to deliver a good message, but life is not about all the joy, riches, love, peace and fire tunnels and crowns. Life won't always afford a Mercedes, which you

don't need. Life can end in eternal damnation or a death and complete loss of salvation. Yes you can be saved but if you go around taking the name of the LORD in vain as I have done life could end in disappointment. King David was a great king. He trusted God and had faith in him, but he made mistakes. I have done far worse than King David and I am reaping my own folly. I will not win a pot of gold and no man is going to replace what an evil pastor stole and though I am beginning to recover, I will never have what I had. Sometimes opportunities are once in a lifetime. Yes I had a chance at a good career. I could have stayed in the Marines. I could have been happily married. I could have a lot of things, but the reality is at best I would have been another pew warmer. God tends to be a crutch, but not always a friend though it seems almost everyone wants him as a Savior. We don't get it and in our laziness we miss the mark. It is all too easy to get complacent and comfortable with where we are. Yes we want joy and who doesn't?! I want joy and rightfully so but sometimes we have to make that joy ourselves while riding out the storm. Life won't hand you a box of chocolates. Life may give you a car you can barely afford and you can't repair. It is however, transportation and it beats the bus or a long walk in the summer's heat. Yes we have to roll with the punches and sometimes it means turn the other cheek to avoid getting our nose broken. I am sorry but I don't believe in Bethel's gold rush not unless it comes at the expense of a home burned down to get at the gold. Houses don't stand in the wake of earthquakes. Fires don't always leave your home in an island. Cancer doesn't care about its victims. Thieves can

wreck your world in an instant and they don't care about the mess they leave behind. Sometimes thieves hide on the other side of a computer or a robot in a phone waiting to take your first fruits before the rent is even paid. Next time a homeless man walks through your parking lot realize you too can be there too. Life can be pain. The church you are trusting for salvation might preach another Jesus that counterdicts the Bible. What you are trusting in whether it is a Passion Bible, NIV, or prosperity you may never reach, realize Jesus has something better in mind for you. It may be one visitor a year that reads what you wrote until he or she stumble across words they can't accept. It could be a sermon prepared for a mother and her daughter and perhaps two other people that may or may not want to hear the words you have to say and your preaching career is over that quick. What did the prophets preach or did you get that far? The Bible often speaks of a certain doom, at the same time pleading with folks come home to Jesus and drink living waters. One sip might seal the deal, or a sip could end in the rocky soil of life. It all depends but right now I am seeing more potatoes in the rocky soil than the good ground behind the trailer. Yes the roots may penetrate through the rocks and you can reap among the weeds too. It is not over and there is hope. I realize even as I look at the Apocrypha and the entire Bible there is a lot to take in. A lot of folks might stop at the temple furnishings in Exodus. Bibles grow dust and good Bibles cost real money. It is a gift brothers don't always read even the best Bibles money can buy even if it means all you can afford at Goodwill. There is something beyond this life. Yes I tried my hand at videos and audio

recordings but my keyboard serves me the best. Sometimes you have to read bad news to get somewhere else where you hear about a loving God. There is a loving Creator, but he is not the god of this world, he is however, the Father of Salvation and his Name is Jesus. He died for you, but not so you can warm a pew and sing songs of love for an hour a week. He died because he loves you and Jesus wants love in return. He wants your love in reaching out your hand to an orphan or a widow. He wants you to do something for you even if only a cold cup of water on a hot day to a homeless man on a street corner. God wants what is not easy and not playing my seat in church. I stopped going to church and I worship at home. I heard what everyone has to say and I don't agree. Church is a place for love when our love tank reads empty not a place for backbiting and hate. We need to speak right not just the comfortable verses. Love doesn't reject the 1560 Geneva Bible or the 1388 Wycliffe because it speaks truth in an older tongue. Love reads a poem from the pulpit that could really help and encourage not bury it in a corner wall. Love trusts God that your car will continue to run without paying the orphans money just so it runs a little better. Love is a good word in due season. Love is a McDonald's hamburger and a bathroom token to a homeless woman that is hungry. Love protects even if it works without punching an enemy in the face. Words often do more than many swords. Love understands and doesn't have to be a doormat. Love stands strong for Jesus even under the hands of a man asking you to reject your only savior with sharp sword in hand. Love pierces through the darkness and love looks into the prisoner's cell that stands

true to God's Word. Love may not forget all the wrongs, and love doesn't always forgive as the wars rage on. Still a love in our hearts keeps your weapon from jamming through desert sands, and a monsoon in a hopeless jungle against a stronger enemy. Yes CLP keeps your M16, working even under fire but only through a mother's prayers. Life is no joke and love isn't a toy. Sometimes love is a hammer in the receiver spewing out 1000 rounds per second to keep the enemies head down while fellow Marines rush forward with bayonet. Life isn't easy and tell that to a man who stood on the Frozen Chosen who served to keep his wife and children from speaking a foreign language under harsh dictatorship. Love stands on yellow footprints and sings The halls of Montezuma. Love does what we can't all do though someone else did it anyways and lost their lives in the process. Love took the nails and didn't turn his face from spitting and the cutting whips to the back. Love carried a cross and hung from a tree without complaint. Love followed a Father's instructions at the cost of laying down His very own life. Thank Jesus and thank a vet because freedom isn't free and can cost the unthinkable. When your magazines are spent and the radio is down your only hope is Jesus and and the bayonet at the end of your M16.

Yes life sends curve balls and love isn't always fair, but in the end of life is a reward if we hold on to what is true. Amen...

This movement is for a full return to biblical truth, repentance, baptism, deliverance and end time revival; that we believe the LORD God Almighty is creating...

While the world has gone crazy on the full on grace train I teach the narrow road and that we have an obligation to live godly lives. Our grace is not our own but rather a gift of God. I am hated and my sites despised because I dare to reach out

and speak the truth about salvation and that it is not easy. I also wanted to say not all churches are bad but the majority of them are. If you can't find a good church get into the King James Bible and start reading.

(Gal 4:16) Am I therefore become your enemy, because I tell you the truth?

(Isa 30:9) That this is a rebellious people, lying children, children that will not hear the law of the LORD:

(Isa 30:10) Which say to the seers, See not; and to the prophets, Prophecy not unto us right things, speak unto us smooth things, prophesy deceits:

SO LET'S GET REAL WITH OUR GOD!!!

Since the beginning of my Christian walk I was first introduced to the hyper-grace message or as I call it I quickly discovered the easy way does not lead to life everlasting. I would love it if people could just get right with God and that the whole world could be saved but that can't happen. I think of a lot of good people all the time. They are loving and helpful. I think of the Christian that blew right past me on the road as I was injured and carrying my bicycle home. It was the man who may not of known the LORD who offered me a ride. He was more a Christian than the man who was my friend who didn't bother with me a sinner. It was the woman at the flea market who had the the bumper sticker with all the religions on it and played the John Lennon song Imagine that gave me a ride home when I would have had to walk nearly 15 miles on a hot day. The Christians didn't care and were unwilling to help. A friend has a son who is resistant to God but a wonderful loving person with a great family. He has seen the worst part of Christianity and wants nothing to do with it. What about the pastor who had a woman come to his church right off the street dressed as a harlot. She was seeking a life with Christ and needed help out of a bad situation on the streets. The pastor called her out in front of the congregation and told her to leave. The next day she committed suicide so who is the worse sinner? (Eze 33:6) But if the watchman see the sword come, and blow not the trumpet, and the people be not warned; if the sword come, and take any person from among them, he is taken away in his iniquity; but his blood will I require at the watchman's hand. Tonight after confessing my sins before God and trying to get right with him, I walked the dogs a little too far and started talking to some neighbors. It made me think and the entire situation was not good. I thought will the two women die and go to hell for having sexual relations or will I suffer for not telling them gay marriages are not right in God's eyes. When asked what I do I with my time I told them I study the Bible, but I didn't really share my faith. Most people I have met are sick of the judgment and tired of hearing the wrath of God. I am perhaps to be judged for not warning of the wrath to come

but I get tired of preaching sometimes when you know our Jesus will not be accepted. People get so enticed with their lusts and the spirit even hit me tonight as bad thoughts filled my mind. I don't like to lie on my sites especially when souls are on the line. I'm going to upload this now since I am getting visitors but I am working right now so know that. You might be tired of the Bethel's, or TBN get your salvation and don't worry about sin or "hell doesn't exist" which a lot of

churches preach because **God is fair and he speaks of hell and death and you reap what you sow.** If you sow life you get what you get out of what you put in, if you just don't really care well you will probably burn out and die and never feel a thing or experience God's Kingdom, but if you were a pastor and you stole from your congregation everlasting eternal, which means forever, hell is your home. There is a serious side of God and it lies in:

(Gal 6:7) Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.

(Gal 6:8) For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

(Gal 6:9) And let us not be weary in well doing: for in due season we shall reap, if we faint not.

(Rev 1:18) *I am* he that liveth, and was dead; and, behold, I am alive for evermore, Amen; and have the keys of hell and of death.

I am not here to make money in fact I spend lots for no results and find myself as a beggar at food banks just so I can keep these ministries afloat. I have donation buttons but I don't make them real easy to find. Recently I prayed for a sizable donation and that night I took a trip descending to hell in a dream. If I did that I don't want to be in Creflo Dollars shoes on judgment day. Amen. Three times my text went blank when I mentioned foolish Creflo and I didn't even mention him lying about the rich man on TV. Yes there is a devil and he doesn't want me updating these sites because they are getting visitors. Also I want to warn you I have said some things on this site I had a real hard time with myself. Pray about it and ask the Holy

Spirit whether my words I have spoken about the Bible are true or a lie. It was hard on me too.

If you wanted a smooth easy get your grace cheap you have come to the wrong site. If you are tired of the Joel Olsteen's and Kenneth Copeland's demanding money and trying to guilt you you might like my sites because I preach the get real way. I won't tell you send me money and everything will work out well. I listened to Satan's voice a number of times. One time I tithed my last few dollars and ended up bouncing a check. Paying money doesn't always mean answered prayers but if God wants you to pay a tithe to a person or organization that won't abuse it and who needs it, it might be the right thing to do. I have food and I have gas in the car, and in my belly too, sorry to say and I make it through most of the month. It's challenging but a lot of the world lives out of garbage dumps. Don't pay me unless God tells you too and not a lot. Just remember too not all voices are God's. I want a better place to live, without leaks and black mold, maybe a nice apartment like the one God showed me in a dream, my GeoMetro repaired and the AC repaired in my 2000 Mercury Mountaineer. I can continue to ignore the check engine light and the ABS light but I need to afford an oil change next month. That is two cars and a home and that is a lot of money. I am thinking if I can just make \$25,000.00 a year I would be more than happy. LORD Jesus I apologize if I am asking too much for a heavenly wage I am sorry. I should be content with a lot less. I wanted to do more but I know you will provide the way. I am amazed oh LORD I have 20 visitors in a week which half are mine but I just got ten visits in one week and my sites are going viral. If I am lucky perhaps they will even read this far and by next week I will have 11 visits. I am excited because I haven't had a site do this well in years. Amen

DO YOU KNOW WHY I SAY THIS!?

I spend countless hours working and reworking all my sites because I feel I may have not spoken for God correctly or not portrayed the Bible's truth right. I pay a huge amount for websites that get absolutely no where or can't be found because I don't have the money to get them into the search engines. Instead I buy domain after domain name trying to get found but to no avail. Only God can make these sites get out there where people can read them and that won't happen until the end when all my efforts are absolutely useless. Yes I get very discouraged and angry. I'm mad that no one gets the point that salvation isn't the easy road and the road to hell is paved with a lot of good intentions. I tried to warn people.

**God Please
Forgive Me...
I am so sorry
how I broke
your heart
LORD Jesus
Christ! Oh**

God I beg for your mercy and forgiveness.

Your beloved churches and pastors are the ones lying to you usually so they can gain wealth. A sister site of mine gets donations but I have never received a paypal donation as of March 3rd, 2019 which means you hate me and I am preaching right. Whether they preach the false doctrine if Jesus is just a nice guy, hell is not real, modern Bibles, once saved always saved, and the other lies of not having to lift a finger for God: These and many more are the lies of modern pastors. Yes I sin, yes I curse, yes I fall short, I have lied, I have done much wrong too, but when it comes to Bible teaching I take it seriously though I admit I have led some people astray. These things I am sorry for and all I can do about it now is pray and repent as my own salvation is on the line. I too could go to hell if I keep my own destructive path; being a Bible scholar does not make me exempt from hell.

(Pro 10:12) Hatred stirreth up strifes: but love covereth all sins.

(Act 4:12) Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.

(Pro 27:2) Let another man praise thee, and not thine own mouth; a stranger, and not thine own lips.

One thing I forgot to tell you is that when I get my preach on which I am doing now, I have an obligation to speak the truth according to ancient Bibles including

the King James. In saying this I have not edited the text of this site as far as I should that includes the smaller text below. I gave out pocket Gospels of John for a while till I got so much grief and rebuke I could not stand it anymore. A lot of people are under the false delusion that God will send them to heaven for doing absolutely nothing. I mean sure a kind act here and a kind act there, its important, but it won't buy your ticket to the Kingdom of God.

(Pro 16:25) There is a way that seemeth right unto a man, but the end thereof are the ways of death.

Another false delusion is that it doesn't matter what we do because our works don't matter. I realize no one has read this far even though people click on my sites. As soon as they realize my sites aren't DreamWeaver professional sites with high dollar SSL even though most sites are SSL just not like Fort Knox: They click and click away. I am sorry for you because you are really missing out. Works do matter.

(Eph 2:8) For by grace are ye saved through faith; and that not of yourselves: it is the gift of God:

(Eph 2:9) Not of works, lest any man should boast.

(Eph 2:10) For we are his workmanship, created in Christ Jesus unto good works, which God hath before ordained that we should walk in them.

(Tit 3:5) Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost;

(Tit 3:6) Which he shed on us abundantly through Jesus Christ our Saviour;

(Tit 3:7) That being justified by his grace, we should be made heirs according to the hope of eternal life.

(Tit 3:8) This is a faithful saying, and these things I will that thou affirm constantly, that they which have believed in God might be careful to maintain good works. These things are good and profitable unto men.

(Rev 22:12) **And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be.**

Our movement is a new Christian movement in Redding California. We are believers who all have different strengths in evangelism, scriptures, and teaching. We jointly want to bring back the full truth of saved by faith in Christ alone: We believe in true repentance but then the responsibility of living in obedience to the laws of God; and following them and doing his work daily asking him to guide us cleanse us as we truly repent. (Rev 18:4-5) And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities. We know that many churches are formed as well as too many Bibles written yet we are unlike others in that we preach the truth according to the King James Bible. We stand up against false doctrine and false teachings. While we follow the Bible we keep a balance between far too legalistic and unloving ways while keeping in check hyper-grace. We are also there for the multitude of people who have been given false doctrine, if either hyper-grace or legalism, and are not set free from sin to lead the life that Jesus died to give them and do not know the truth yet.

(Mat 24:24) For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

(Eph 5:11) And have no fellowship with the unfruitful works of darkness, but rather reprove them.

(1Jn 3:21-22) Beloved, if our heart condemn us not, *then* have we confidence toward God. And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his sight.

As a Christian movement strong & dedicated toward revival; and according to the above verses we believe that God's blessings are conditional. While we do **not** have the spirit of legalism, we have the Spirit of love and empathy for others that includes homeless and prisoners. We are true, in that we adhere to Bible truths from the 1769 King James Bible ancient manuscripts and other Bibles to include Bibles in the Bloodline to forming the KJV 1611. We realize while most people are more familiar with modern Bibles; we do not condone those that read modern Bibles. I personally started out reading the NIV and Nlrv and even the NKJV. As for each person; start out what you are comfortable with, but as with experience, I recommend each person later reads the King James Version. Even if you have another Bible we recommend purchasing a King James since they will be banned one day soon!

We believe the true Sabbath is Saturday but we worship our creator whenever and wherever we can. We are friendly and loving and evangelize with [love click here](#) first in the truth. The word "Love" also appears in different places in the 1560 Geneva perhaps more than in the King James 1611. For example "love" appears each time "charity" normally appears in 1 Corinthians 13 in the 1560 Geneva as compared to charity in the King James Bible.

[1 Corinthians 13 click here!](#) Note we do not believe this is just another helpful chapter but rather a way of life that outlines what love really is and how love works in our lives to get us to heaven. Love is not a trivial thing but rather a powerful tool that overcomes sin and gets us right with our neighbor and gets us right with God. [1 Corinthians 13, 1599 Geneva Bible.](#)

Anyone interested in joining this movement must be fully committed to sharing the gospel and truth in complete love refraining from arguments with people. This scripture is the foundation. We must never deviate from love at all times to be shown to everyone we come in contact with.

(Ephesians 4:29-32) Let no corrupt communication proceed out of your mouth, but that which is good to the use of edifying, that it may minister grace unto the hearers. And grieve not the holy Spirit of God, whereby ye are sealed unto the day of redemption. Let all bitterness, and wrath, and anger, and clamour, and evil speaking, be put away from you, with all malice: And be ye kind one to another, tenderhearted, forgiving one another, even as God for Christ's sake hath forgiven you.

Here are definitions for King James words from above as defined from Word 2016:

This is a move of God through the Holy Spirit. We are waiting and expecting in our obedience of having repented and returned to the law of God and serving God. We serve God with all our hearts between brothers and sisters. We go out and serve preaching truth and bringing in the lost and we are going to see mighty works in the end times and displays of his Spirit. We are glorifying God.

In our walk with God we often refer to God as Yahweh and Jesus as Yeshua because these are the Hebrew names and by using the original tongues the power of God is spoken. These are defined from the Strong's Exhaustive Concordance.

H3068

יהוה

yehôvâh

yeh-ho-vaw'

From H1961; (the) self Existent or eternal; Jehovah, Jewish national name of God: - Jehovah, the Lord. Compare H3050, H3069.

H3444

ישועה

yeshû'âh

yesh-oo'-aw

Feminine passive participle of H3467; something saved, that is, (abstractly) deliverance; hence aid, victory, prosperity: - deliverance, health, help (-ing), salvation, save, saving (health), welfare.

We want to be a part of what we support. We want to be a used channel because Yeshua does all the healings and delivering people from mental, physical, and emotional problems through repentance and deliverance.

We know we are in the time of history where John the Baptist said: (Mat 3:2) And saying, Repent ye: for the kingdom of heaven is at hand. (Mat 3:3) For this is he that was spoken of by the prophet Esaias, saying, The voice of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight.

(Act 8:15) Who, when they were come down, prayed for them, that they might receive the Holy Ghost:

What we have learned from the Bible is biblical baptisms almost never happen. All too often a person goes under the water in a baptism and raised and hands clap but there is no repentance and certainly no deliverance.

We know that the Bible portrays a narrow path to heaven. (Mat 7:14) **Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it.**

(Col 3:12-14) Put on therefore, as the elect of God, holy and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering; Forbearing one another, and forgiving one another, if any man have a quarrel against any: even as Christ forgave you, so also do ye. And above all these things put on charity, which is the bond of perfectness.

(Heb 10:28-30) He that despised Moses' law died without mercy under two or three witnesses: Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath trodden under foot the Son of God, and hath counted the blood of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Spirit of grace? For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his people.

A lot of knowing that we are living in God is reading God's Word daily and realizing what is right and what is wrong. We realize that we can be living in Christ Jesus by doing the best we can in situations that are not always easy. Take a United States Marine living in combat. While the government trains people to kill, the Bible says there is a time for everything. With this movement we are creating we are saying that going on sinning is unwise as you can lose your salvation; on the other hand God knows the heart and he knows the situations we have all been through.

(1Pe 1:14-16) As obedient children, not fashioning yourselves according to the former lusts in your ignorance: But as he which hath called you is holy, so be ye holy in all manner of conversation; Because it is written, Be ye holy; for I am holy.

(Ecc 3:1) To every thing there is a season, and a time to every purpose under the heaven:

(Ecc 3:2) A time to be born, and a time to die; a time to plant, and a time to pluck up that which is planted;

(Ecc 3:3) A time to kill, and a time to heal; a time to break down, and a time to build up;

(Ecc 3:4) A time to weep, and a time to laugh; a time to mourn, and a time to dance;

(Ecc 3:5) A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

(Ecc 3:6) A time to get, and a time to lose; a time to keep, and a time to cast away;

(Ecc 3:7) A time to rend, and a time to sew; a time to keep silence, and a time to speak;

(Ecc 3:8) A time to love, and a time to hate; a time of war, and a time of peace.

In quoting these words from the Preacher, Ecclesiastes in Greek, King Solomon speaks that there is a time that we will do many if not all of these things. The other preacher of three named in the Bible the Apostle Paul, and Noah, Paul states the following:

(1Co 6:9) Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind,

(1Co 6:10) Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God.

(1Co 6:11) And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the name of the Lord Jesus, and by the Spirit of our God.

According to verse 11 Paul says "such were some of you," meaning those were our old ways; but we are washed, sanctified and justified.

Now some of these words are King James words so I will define them below:

Effeminate- is a man acting and or dressing as a woman.

Revilers- G3060

λοιδορος

loidoros

loy'-dor-os

From λοιδός loidos (mischief); abusive, that is, a black guard: - railer, reviler.

To extort means to take something or someone by force.

While we are not bound to the law the Bible states the following in that it is important that we do not continue in sin.

(Rom 6:1-4) What shall we say then? Shall we continue in sin, that grace may abound? God forbid. How shall we, that are dead to sin, live any longer therein? Know ye not, that so many of us as were baptized into Jesus Christ were baptized into his death? Therefore we are buried with him by baptism into death: that like as Christ was raised up from the dead by the glory of the Father, even so we also should walk in newness of life.

One thing that can give us confidence is that God's laws and God's system of grace never changes. Though we change, often on a daily basis, it is in our own walk with Jesus that we may get right with serving the LORD God Almighty.

(Mal 3:6) For I am the LORD, I change not; therefore ye sons of Jacob are not consumed.

(Heb 13:8) Jesus Christ the same yesterday, and to day, and for ever.

To me these verses give me great confidence knowing that God is not going to change his Word (Man does this in modern Bibles but in the King James we have confidence.) but rather keep his promises. God promises eternal life through the pages of God's Word, now it is our choice to get right and follow him or not.
